
OUR BUSINESS

Supplymates is a locally owned and operated business that provides Office Supplies, expert consulting (office supplies), advice and service to meet all your office and department needs, at unbeatable prices.

Supplymates is committed to being your partner with our knowledge and service, freeing you to focus on your mission. We provide high-quality service and products to support your agency. We're out to prove that good care, proper attention, AND lowest prices can work together in a locally owned business.

OUR SERVICE

- Convenient online ordering at shop.supplymates.com
- Trained product specialists available at all times for personalized assistance
- Free next-day delivery
- Budgetary controls – you can set a monthly limit and we'll let you know when you are approaching your limit
- Automatic 1% rebate at the end of each calendar year. Plus, if your department pays bills promptly, you can earn an additional 1% rebate
